

Graphic Designer Catalog

A resource brought to you by the
Office of Youth, Young Adult, and
Campus Ministries of the Diocese
of Dallas and Catholic Creatives

YOUTH, YOUNG ADULT,
& CAMPUS MINISTRIES
DIOCESE OF DALLAS

The parishes of the Diocese of Dallas are on a mission: a mission to transform the landscape of Dallas with the Gospel of Jesus Christ. The graphic design catalog before you now is an invaluable tool to help you communicate this mission to those you serve.

The Office of Youth, Young Adult, and Campus Ministries has collaborated with Catholic Creatives to offer ministry leaders a list of diverse graphic designers who have experience working with Church ministries, leading business branding, and utilizing social media platforms.

Our hope for this graphic designer catalog is best expressed by the words from our collaborator.

“As I reflect on this simple project, I pray that the parishes of the Diocese of Dallas may never be said to contain a “hidden treasure.” To be clear—they have the greatest treasure of all, God incarnate, made flesh for his people. But hidden? Never. There is too much wealth stored in our parish communities to hide away. The people of God need to know what riches are waiting for them within.

The goal of this resource, then, is to assist you, the stewards of this great treasure, to share the good news of the fortune you have found. In our digital age, visual storytelling is more important than ever. Let these storytellers help you share your incredible news—it is quite simply too important to be kept a secret.”

CODY BARRAS

Executive Director of Catholic Creatives

Take the opportunity to visit the graphic designers website, browse their portfolios and contact any graphic designer you wish to collaborate with.
