## Details:

**This fall, we will offer virtual youth ministry with the ability to connect in person once a month.**

- Twice a month, there will be a digital Small Group Gathering led by core members.
- Once a month we will offer a digital Community Game Night. This will be a whole ministry invite. We'll play online games, and offer an easy place for teens to have fun, laugh, enjoy themselves, and get to know other teens!
- Lastly, once a month there will be an EXALT Night for the whole family in the main church. There will be adoration, praise and worship, and a short talk! We will stream adoration LIVE for participants at home.
- Other virtual programming outside the 4 monthly meetings: Bible studies, etc...

---

**In addition, each youth that registers will receive a monthly subscription box filled with some exciting goodies! You'll be able to pick up your monthly box at the EXALT nights in person, or they will be mailed to your door the following week!**
